Notification Regarding the Aftermath of the 2016 Kumamoto Earthquake  
(2<sup>nd</sup> Report)

Firstly, we wish to offer our sincere condolences to those affected by the disastrous Kumamoto Earthquake of 2016.

We would like to report that the suppliers within the disaster area mentioned in our first notification regarding the aftermath of the 2016 Kumamoto Earthquake dated April 19, 2016, have resumed production or have implemented production in other areas as of April 25, 2016. Therefore there has been no affect on our product supply.

Please note that we swiftly notify our customers upon the occurrence of any significant future events.

Thank You
