## Notification regarding the Earthquake felt in southern Chiba area on May 11, 2023

On Thursday, May 11, 2023 at 4:16 (JST), a 5.4 magnitude, medium intensity earthquake struck the southern part of Chiba prefecture.

We would like to extend our deepest sympathies to all of those adversely affected by this earthquake.

There have been no injuries or property damage to SMC facilities as a result of this earthquake. As such, SMC is maintaining normal operations.

In addition, SMC is continuing to confirm the conditions of our customers and suppliers.

Respectfully,
