## Notification Regarding the Situation at our Chinese Factories

We would like to inform you of the situation at our factories in China (our Subsidiary in Beijing, SMC China & SMC Beijing Manufacturing) regarding the outbreak of a new type of pneumonia in the area.

**There have been no effects of this new type of pneumonia to our Beijing production, inventory, or logistics.**

- Our Chinese Factory plans to resume normal operations following the Chinese New Year holiday on February 3<sup>rd</sup>, 2020.
- Shipments to Japan from our Chinese factory will resume following the Chinese New Year holiday.
- At present, we have no suppliers or our outside vendors in Hubei Province including Wuhan City.
- We currently have ample stock of parts and products to supply our customers without interruption.

We will continue to monitor the situation regarding the influence that may give to our business and inform our customers if there are any changes.

Respectfully,

For further inquiry, please contact below:
