Notification regarding the Earthquake felt in northern Ishikawa area on May 5, 2023

On Friday, May 5, 2023 at 14:42 (JST), a 6.5 magnitude, medium intensity earthquake struck the northern part of Ishikawa prefecture.

We would like to extend our deepest sympathies to all of those adversely affected by this earthquake.

There have been no injuries or property damage to SMC facilities as a result of this earthquake. As such, SMC is maintaining normal operations.

In addition, SMC is continuing to confirm the conditions of our customers and suppliers.

Respectfully,
